

# Our commitment to your health and safety

September 2021

The RX France “COVID-19 Management Response Plan” and the sanitary protocol associated with the show have been certified “COVID Compliant” by SAFE ASSET GROUP.

This certification, by an independent body, attests to the proper implementation of health measures according to the international “SHORE” standard (SAFE Hospitality, Office, Retail, and Environment standard).

## 1. Sanitary pass

Per application of current Italian sanitary regulations, access to our events for all participants will be subject to the presentation of a valid sanitary pass\* attesting to one of the three types of proof below:

1. A vaccination certificate attesting to a complete vaccination program using a vaccine against covid-19 authorised by the European Commission: certificate of vaccination (even of the first dose only after 14 days from the same);
2. Proof of a negative test of less than 48 hours (RT-PCR, antigen or self-test carried out under the supervision of authorized health professionals).
3. The result of a positive RT-PCR or antigen test attesting to recovery from Covid-19, within the previous 6 months.

These certificates are encoded and signed in the form of a QR Code. They can be presented in paper or digital format.

For more information please visit the show website.

## 2. Body temperature check

Anybody recording a temperature equal or over 37.5°C will be refused entry.

## 3. Mandatory surgical face masks

## 4. Hand sanitisers will be available during the event

Touch-free hand sanitiser stations will be located throughout the premises and in common areas

## 5. Compliance with capacity limits and regulation of visitor traffic flows

We will ensure that maximum capacity limits are complied with in exhibition halls, conference spaces and food service areas...

## 6. Increased disinfection

## 7. Digitalised access passes

In order to avoid queues and frequent contact, we use print@home passes wherever possible, so remember to print your badge before the trade show.

## 8. Special communication and safety reminders

Staff and participants will be reminded of health measures before and throughout the event.

## 9. On-site food services

Tables will be arranged to follow social distancing measures, with 2 m between each table and no more than 10 people per table.

## 10. Management of individuals with COVID symptoms

A medical team will be present for the duration of the event. Suspected COVID-19 cases will be isolated and handled by suitable health professionals.
