- ❖ **Affiliates** : Companies or individuals officially attached to the main stand holder, often for the purpose of marketing and sales.
- ❖ **Dashboard** : Interface where you can monitor your leads and your company page statistics
- ❖ **Emperia on-site lead capture** : Emperia app that allows exhibitors to scan visitors' badges at the market and find their contacts in the online dashboard.
- ❖ **Primary administrator** : The main contact in your company to prepare the market who has access to the company page, receive Emperia lead notifications, register exhibitor delegates, invite affiliates and add other secondary administrators. Once added, secondary administrators can have the same rights as the primary one (unlimited additional secondary admins).

Here are the details of **each section** of your Company Hub

EDIT MY PROFILE

The profile editing section is made up of two parts, one dedicated to **editing your company profile**, the other to **managing/adding other administrators from your company**.

Complete all the elements that will be used for:

- your listing on the fair's website search engine
- your recommendation to visitors who pre-register

Here you will be able to **navigate between both parts**

Access the **profile section** to modify your company's information

Please **complete your company profile** with as many details as possible !

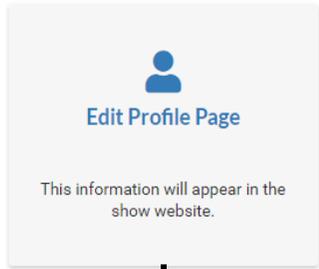

Logo, description, cover image... **Boost your business opportunities!**

EDIT MY PROFILE - COMPANY ADMINISTRATOR TAB

Exhibitor administrators are individuals from your company who require access to the exhibitor space. Secondary administrators will have the same access as the primary administrator.

Please add any of your colleagues who **should have access to the company page full set up**. They will receive an activation email.

Profile Company Administrators

Create and manage administrators for your company, including a role. Each administrator will be sent an email with login information, there can be multiple administrators for each role and the same persons details can be entered with multiple roles. There must be one Primary Administrator. Please ensure you have the person's permission to add their details.

+Add Company Administrator

| | First name | Last name | Email address | Login roles | |

Select the Administrators to whom you want to resend the activation email.

Resend activation email

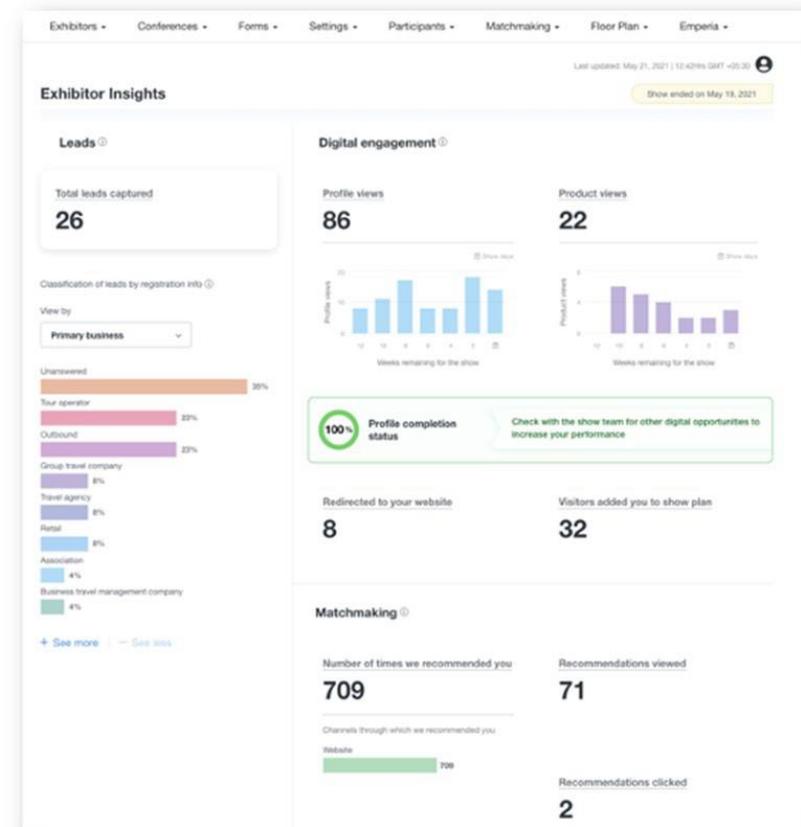

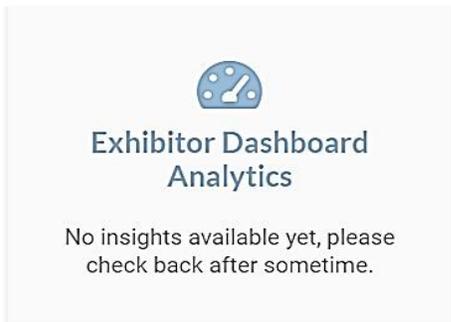

Resend the activation email to the company page (in case your colleague did not receive it)

Update your company admins list at anytime

The Exhibitor Dashboard allows you to **access a wealth of data regarding your performance at the exhibition.** This dashboard synthesizes your leads generated during the show (*with Emperia app*). Its pro version also allows you to **compare yourself with your competitors.**

This page only becomes accessible **90 days** before the show.

A large amount of data is available to help you understand the **typology of your leads, your strengths, and areas for improvement** for your next exhibition.

Services

A consolidated list of leads.
(Total: 0, New: 0)

Emperia is a mobile app **to scan visitors' badges at the exhibition**. Collect contacts and find them in your online report available on your exhibitor dashboard.

Customize your account by indicating your company access code

Download the Emperia Mobile app from the App Store or Google Play

Upload up to 3 documents about your company sent to the visitors you scan at the market

Add qualification questions that will be asked to the visitors you scan, in order to better know them

GETTING STARTED
MIPCOM is fast approaching. We want to make sure you're prepared for an important part of your experience - collecting leads with the Emperia Lead Retrieval Application. Using the app at the event is easy - simply scan the code on the visitor badge to capture your connection and record their contact details. Here's a simple "Exhibitor's Guide to Emperia" to get you started and answer some commonly asked questions about the Emperia lead scanning tool.

Available on app store and play store

LOGIN DETAILS
Use these credentials to login to the app. Share this access code with your colleagues from your company so they can capture leads on their own devices as well.
